Course Description:
This is a one day licensure prep course for SLU School of Social Work ALUMNI ONLY. It covers information for the LMSW and LCSW exams. Materials provided will include a review book with practice questions specifically designed to prepare individuals to pass ASWB Social Work Licensing Examinations. To prepare you for the exam, the course provides an overview of the examination process including computer administration; test taking strategies; and a review of examination content areas:

- Theories of human development
- Social work administration, management, and supervision
- Assessment, diagnosis and treatment planning
- Program evaluation and research
- Direct practice, psychotherapy, and clinical planning
- Social welfare policy and services
- Professional values and ethics
- Indirect/Macro practice or nonclinical
- Diversity and social/economic justice

Learning Objectives:
At completion of this course, attendees will be able to:
1. examine the key content areas for the LMSW and LCSW through comprehensive review;
2. employ test taking strategies that are linked to improved performance on licensing exams; and
3. apply course study materials as a part of test preparation.
